

# ROCKY RK10

fully rugged laptop

**AMREL**<sup>®</sup>  
Pioneering Customized Rugged Solutions

### Powerful performance on proven platform

Having proved its reliability for years in the harshest environments, the ROCKY RK10 has been upgraded to be more powerful than ever. The ROCKY RK10 improvements include:

- Powerful i7 processor
- Better graphics card
- Expanded memory
- USB 3.0 ports
- Improved storage

### Meets strictest ruggedness standards

Independently certified for MIL-STD 810 and IP65, the ROCKY RK10 platform has dependably supported warfighters, fire fighters, police, EMS, and other must-perform applications.

### Future Proof

The ROCKY RK10 Laptop is designed for easy upgrades and configuration stability.

### One computer does the job of many

AMREL's proprietary Flexbay™ technology lets you combine numerous single-purpose devices into one multi-functional computing solution. *Learn how by watching the video on [www.flexpedient.com](http://www.flexpedient.com)*

### Modular design, easily customizable, very configurable.

Modular, open platform design and a remarkably large number of configurable I/O ports ensure flexible connectivity and easy customization. AMREL extends the manufacturer's warranty to all modifications it performs.

### Currently deployed customizations include:

- Portable Sensor Control
- Flight Line
- Search & Rescue
- Many other applications
- Unmanned Systems
- Operator Control Units
